Hi Suzanne,

I need a favor. I am trying to send this email to AUSA Robert Fisher to obtain lab numbers for an upcoming case. For some reason, the email can not be delivered.

Could you forward this to him? I would greatly appreciate it.

Thanks,

Annie

Hi AUSA Fisher,

I just received your summons for the above case scheduled for 11-02-09. Could you email me the Lab#/s associated with this case? I will send out a discovery packet for this case.

Thank you for your assistance. If you need anything else, let me know.

Thanks,

Annie
